ResQHook Ligature Cutter RSQ

The ResQHook has been designed to offer an effective and safe method of cutting through ligatures. The hook boasts an incredibly strong and sharp blade allowing it to be capable of quickly and easily cutting through almost any soft material of any thickness. The ligature cutter doesn't rely merely on the sharpness of the blade but crafted serration enables the cutter to be used repeatedly without a drop off in performance.

Product Features:

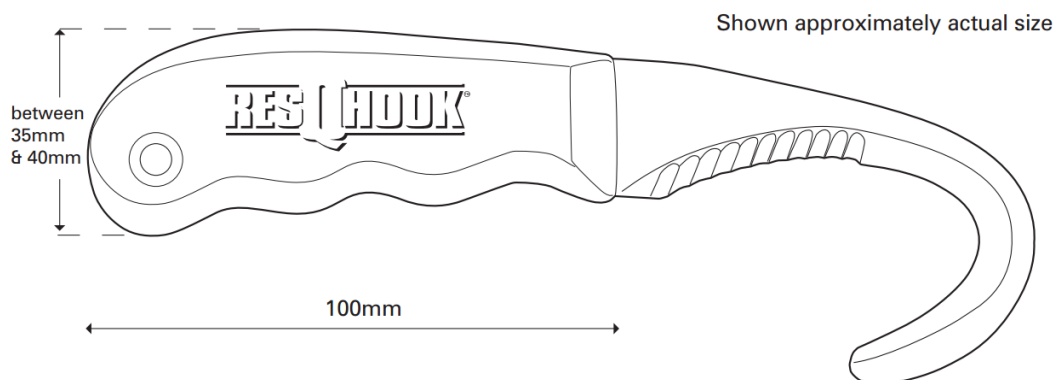

- Small and light.
- 430 Stainless Steel– Craftsman made.
- Incredibly strong and capable of quickly and easily cutting through soft material of any thickness.
- Anti-Slip impact nylon polymer.
- Hollow ground cutting edge, Incorporating serrated ripping edge
- Blunt outer edge.

Cleaning:

Can be cleaned using a medical steriliser, dishwasher or manually with soap and water.

Size: Overall length: 175mm | Width: 35mm | Weight 0.21lbs/0.097kg
